

## PRE-FILING ANNOUNCEMENT

On February 7, 1996, KGO-TV was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until December 1, 1998.

Our license will expire on December 1, 1998. We must file an application for renewal with the FCC on August 1, 1998. When filed, a copy of this application will be available for public inspection during our regular business hours. It contains information concerning this station's performance during the last five years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether this station has operated in the public interest should file comments and petitions with the FCC by November 1, 1998.

Further information concerning the FCC's broadcast license renewal process is available at KGO-TV, 900 Front Street, San Francisco, California 94111, or may be obtained from the FCC, Washington, D.C. 20554.
